# BRAND IDENTITY

## Identity Analysis: Case Study A

The Product is to provide Technical answers to problems in programming

# BRAND IDENTITY

 Learn Ease

The logo features a white icon on the left composed of three overlapping, semi-transparent 3D cubes. To its right, the word "Learn" is written in a large, white, sans-serif font. The word "Ease" is written in a slightly smaller, white, sans-serif font and is enclosed within a rounded rectangular button that has a gradient from light green at the top to dark green at the bottom.
